

DRESS CODE/STUDENT UNIFORMS

The setting forth of the following rules encourages modest and appropriate dress. As behavior may correlate to the way one dresses, all parents/guardians are required to purchase the Academy's standard uniform. Package and pricing information is available at the school and will be made available to all new and returning parents during any application period.

Students are expected to be in uniform every day, unless otherwise informed by the school through newsletter or other announcement. Uniforms should be kept clean and neat. Any student showing up out of uniform must have a note from their parent/guardian explaining the reason for not being properly dressed. Repeated offenses will result in detention and/or suspension.

Students are also expected to practice correct hygiene as infractions are counterproductive to the learning environment. Students are encouraged to bathe and use deodorant every day, and to report to school with combed hair and a clean uniform. Parents may see the Student Services Coordinator for additional hygiene information.
